For international ou French student in mobility
- tailor-made accompaniment for all your steps in France and Europe

Studying abroad is exciting. However, preparing your journey can become a troublesome and worrying experience for you and your family. Having someone to turn to is reassuring and helps you make the most of your stay.

STUDENT CONCIERGE CLUB is a unique, exclusive service for students traveling to France or to Europe in the frame of their studies.

Our goal is to provide students with permanent, tailor-made support and resources so that they feel safe and rapidly supported.

Our services have been designed to make your experience abroad flawless and peaceful.

STUDENT CONCIERGE CLUB provides personalized welcome and support making your educational mobility easier. We are by your side, everywhere, for everything.

WHY CHOOSING STUDENT CONCIERGE CLUB

Extend your network of international talented learners coming from the most prestigious French schools and universities. They are daring, innovative learners... just like you. They enjoy making new friends and develop their network. Like you, they want to make their stay in France unforgettable.

Discover France

France is known for its rich heritage and its innovation. Thanks to our program, you will access our exclusive offers from our French and international partners to keep you posted on the latest trends, no matter where you are in France.

Get 24/7 Tailor-made advice You are facing difficulties to get your visa or to find your accommodation... You can't have your formal documents ready for lack of time ? We provide you with a personal assistant who will support you in the shortest delays to make your stay enjoyable!

Chill out

We will be there for you, at all times and in every step of your way. This is something that is reassuring for both you and your family. You won't have to worry about any of the difficulties that your peers may face when going abroad, and you will be able to fully enjoy your time in France. We are dealing with everything and we are taking care of you.

Save time

With SCC you no longer have to spend hours surfing on the internet to look for what you need. Your personal assistant will arrange all the administrative tasks for you before and during your stay (housing, banking, visa, phone contracts)... so that you can make the most of your experience in France.

ONLY FOR YOU

150€

assistance during 6 month

Access our digital platform and your online account, get free online information and advice for all your administrative procedures (housing, insurance, banking, rental guarantee, residence permit, etc.)

- access the 24/7 assistance on request - get the member directory.

Like any concierge, we seek solutions to all student requests, starting with accommodation. We rely on a first level of online information – the student's personal space – with information on the city and housing solutions. On the platform, all the useful information and solutions for a student arriving in a new city are aggregated in their personal space. The student does not have to search for the sites or interesting information he needs. He has everything.

SEE YOU SOON !
